Performance Notes

This arrangement was selected as the example due to its use as the example in the reference document, "Notating Barbershop Arrangements" from 2015. It does a fairly decent job at showing off the formatting specification, and allows a direct comparison to the official documentation. Note that I am not the copyright holder; contact the BHS for details on this arrangement.

As a final note: Questions about the contest suitability of this song/arrangement should be directed to the judging community and measured against current contest rules. Ask *before* you sing.
